

## 1-Call Alaska, LLC. Alternative Planning Criteria Coverage Agreement

### Tank Vessels

The APC Agreement for Provision of Response Resources between 1-Call Alaska, LLC. (Provider) and \_\_\_\_\_ (Client), dated \_\_\_\_\_

1. In accordance with the provisions and definitions set forth in the US Coast Guard (USCG) Pollution Prevention regulations in 33 CFR 155, Subpart D (Tank Vessel Response Plans for Oil), the Provider shall maintain a USCG approved Alternative Planning Criteria (APC) known as “1-Call Alaska Tank Vessel APC”, within the portion of the USCG Captain of the Port (COTP) zone, Western Alaska, defined as 1-Call Alaska LLC’s Tank Vessel Response Area,. In addition to an agreement with 1-Call Alaska LLC, vessels entering the Cook Inlet Zone, must also enroll with Cook Inlet Spill Prevention and Response Incorporated (CISPRI) See 1-Call Alaska Coverage Maps as described and posted on [www.1callalaska.com](http://www.1callalaska.com).
2. Provider shall make available to Client its APC certification approval letter for the Client’s and /or its plan preparer’s use in obtaining USCG Tank Vessel Response Plan (TVRP) approval for 1-Call Alaska LLC’s Tank Vessel response area.
3. Client, on behalf of its vessels covered by this Agreement (Covered Vessels), shall permit the tracking of its Covered Vessels when operating in the 1-Call Alaska Tank Vessel response area.
4. The Client shall notify the APC Provider if/when there is an incident in accordance with the Providers approved Alternative Planning Criteria Plan and related appendices.
5. Client certifies that they have reviewed and are familiar with the Appendix 10.1 “Masters Guide for Tank Vessels Operating under the 1-Call Alaska APC while in COTP W Alaska Waters” and acknowledges compliance with the operating procedures within. The Client also acknowledges that the Vessel Captains of Covered Vessels have reviewed and are familiar with the Appendix 10.1 “Masters Guide for Tank Vessels Operating under the 1-Call Alaska APC while in COTP W Alaska Water”.
